

Maria Augusta Loureiro (**Margusta Loureiro**) was born on January 13 of 1964 in Cabeceiras de Basto.

The plastic artist is also dedicated to writing and photography.

I have participated in dozens collective painting exhibitions, National and International (Argentina, Spain, USA, Brazil, Majorca), and nine individual painting exhibitions.

Participated in the book “The Myths of Art” - Anthology of Painters Contemporary Portuguese.

It is part of art sites in several countries.

He has poems and texts of his own, published in several books.

Five of his paintings were requested, for book covers, from authors national and foreign.

In 2010 edit his first book entitled (e) Suit

(a) Sea - Poetic Tale.

In October 2017, she edited the book “Letters to Richard” - Love Story

In February 2018 she edited the book “The Last Bird” - Poetry

Participated in the Cloud Hunters Yearbook 2018 (photo book), published on Brazil, with participants from 37 countries.

He is already selected to participate in the Cloud Hunters Yearbook 2019, an edition in July 2020.

Margusta Loureiro has some national and international awards in the area painting, writing and photography.
